

## Summer Reading 2021

Dear Future **Third Grade** Parents:

Summertime is a great opportunity for students to enjoy the richness of literature and to maintain the reading skills they have learned throughout the school year. Reading helps students increase their reading skills, vocabulary, and improve their overall academics. **Reading with an adult is encouraged.**

As part of their reading summer project, students are required to read the book listed below:

|-------------------------------------|---------------------------------|----------------------|
| <b>How Not to Start Third Grade</b> | Cathy Hapka and Ellen Titlebaum | <b>9780375839047</b> |

The following summer project is outlined for the students to **hand in by Friday, August 13, 2021.**
